

Ways to Support ICS Passive Fundraisers 2024-2025

Boyer's Caring & Sharing Program

1% of Purchase Amount Donated

No receipts to save, and no receipts to add up! ICS will earn a 1% rebate on all purchases made when you scan your Boyer's key card.

Box Tops for Education App

10¢ Donation per Box Top

"Clip" all of your box tops at once by using the Box Tops app, available in the Apple App Store and Google Play. Submit a picture of your paper or digital shopping receipt within 14 days of your purchase.

Participating products can be found at btf.com.

This simple method gives ICS earnings as soon as you submit your receipt. The app also offers bonuses and double donation periods on certain products' box tops throughout the year.

Educational Improvement Tax Credit Program (EITC)

Send Your PA Tax Dollars to an ICS Student Scholarship instead of to Harrisburg!

EITC is the **best way** to help ICS students and families! This program offers individuals and businesses the opportunity to use their tax dollars to fund ICS student scholarships. For more information and to see if you qualify to participate in this program, contact ICS Development Manager, Mike Screenock: screenock.m@icshazleton.org

eSCRIP Program

Earn money for ICS every time you shop locally or dine out using cards registered at escrip.com or when you book a cruise through the eScrip website. (Remember, you can tell others about this program!)

eSCRIP Program, cont'd.

ShurSave markets (Carone's, Gerrity's, White Haven Market, and Valley Hometown Market) will donate **up to 5%** when you use your Gold Card. Register savings cards at your local Foodtown or ShurSave store to get the most out of your purchases!

Raise Right (SCRIP Program) is the gift card version of eScrip. Instead of using cash for payment when shopping or going out to eat, you can purchase gift cards at raiseright.com.

Some gift cards available include: Walmart, Dunkin', Starbucks, Amazon, Target, Panera, Kohl's, Sam's Club, Weis, Wawa, Sheetz, Home Depot, Lowe's, and many more.

The rebates you earn through Raise Right will be partially applied to your monthly tuition.

ICS's enrollment code: **15DEB22F566**

Recycling Electronics

ICS uses PaceButler Corporation to recycle cell phones and tablets for funds and other organizations to responsibly recycle computers, laptops, and other electronics equipment.

For every cell phone purchased, PaceButler donates a book to an organization in need, including jails, prisons, schools, churches, mentor programs, and non-profit organizations.

All data is erased in compliance with DOD and NIST standards. Please submit technology to the office or directly to Amanda Miller.

Recycling Ink & Toner Cartridges

ICS uses various companies to recycle new and used ink and toner cartridges for funds. Cartridges should be wrapped or packaged in order to prevent leakage. Please submit cartridges to the office or directly to Amanda Miller.

Weis4Schools runs on a point-based system. Points are earned based on the nearest dollar amount spent. To earn points for ICS, you must connect your Weis card to ICS (School ID 87696) and scan your card when you make a purchase. **More information will be sent home to families when this program opens in September.**
